Class of 1962
University of Maryland
College Park, Maryland

PREFACE

2983917

The following pages contain a wealth of important information about the University of Maryland, its academic policies, its extra-curricular activities, and its social activities. This is information that we feel is important to you, the new student, in your inauguration as a part of this University.

We feel that the *M Book* will prove useful to you every day for the first few weeks that you are here, and it will be a helpful source of information throughout your college career at Maryland.

The Book is designed, for the most part, as a collection of facts which may be located through the extensive index in the back of the Book on pages 163 through 168.

We have dedicated the Book to the Class of 1962. We have designed it for your consumption. We hope we have done a good job and a useful service for you.

GENERAL INFORMATION

HISTORY AND TRADITIONS

In 1807 the College of Medicine was founded in Baltimore, the fifth such school to be established in the United States. During the first century of the College's existence, schools of Law, Dentistry, Nursing, and Pharmacy were added, thus earning the name University of Maryland.

The Maryland Agricultural College was chartered in 1856. When Congress passed the Land Grant Act in 1862, requiring land to be set aside for the ". . .maintenance of at least one college to teach such branches of learning as are related to agriculture and the mechanical arts. . . ," the Maryland Agricultural College was named beneficiary of the grant by Maryland's General Assembly.

The University of Maryland in Baltimore and the Maryland Agricultural College in College Park were merged in 1920 by the Maryland State Legislature to form the present University. In addition to the campuses in College Park and Baltimore, Maryland students are found throughout the Maryland students are found throughout the world, studying under the College of Special and Continuation Studies.

History and tradition carry over to the way in which the University has been designed. Georgian type architecture has been preserved in the construction of the University over the past 102 years.

One of the most beautiful buildings is the Memorial Chapel. From it comes the hourly chim-

ing of "Maryland, My Maryland" and the playing of seasonal music, which promotes a feeling of warmth and serenity.

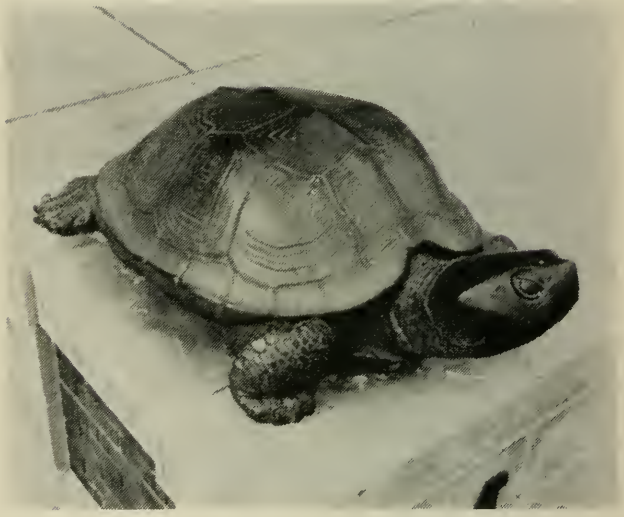
Other notable landmarks are: the tunnel—requirements for passing through include a boy, a girl, and a kiss; and the Rossborough Inn, the campus' oldest building, where General Lafayette was reported to have visited. Newer landmarks include a four-story library, the Journalism Building, numerous dorms, and the convenient walks.

Freshman Orientation, the first registration for classes, and the hectic purchasing of books and supplies are among a freshman's earliest acquaintances with the traditional busy life of Maryland students. Fall brings the football season, highlighted by pep rallies, high spirits, Homecoming Weekend, and Harmony Hall. Winter means tray sliding, basketball, Christmas vacation, the KA Minstrel, cramming for finals, and the Interfraternity Ball.

Blazers, trenchcoats, convertibles, and more mud than usual declare that spring has come. Freshman, Sophomore, and Junior Proms, the Sophomore Carnival, elections, the Interfraternity Sing, Spring Week, and May Day are followed by finals and graduation—the height of Maryland tradition.

No university would be complete without a mascot. Our mascot is Testudo, a five hundred pound bronze replica of the Maryland diamondback terrapin. Testudo resides at the entrance to Byrd Stadium.

TESTUDO



WHOM TO SEE

All extensions listed are for WA. 7-3800. See campus map for building code.

ACTIVITIES BOOK

The activities book, presented with a University identification card, enables students to attend intercollegiate athletic events and all activities sponsored by the Student Government Association. The book is issued at registration when the Activity Fee is paid. The Fee also includes class dues and publications.

AFROTC PROGRAM

Since the University of Maryland is a Federal land-grant institution, ROTC training is required for all male students for two years. As a prerequisite for graduation, male students must complete two years of basic military training, unless they are veterans of the armed services. Special provisions are made for those not physically qualified.

The Air Force ROTC Program is divided into two parts. The freshman and sophomore years are devoted to the basic course, and the junior and senior years to the advanced course.

Basic cadets have two hours of classroom instruction each week and drill every Wednesday. Basic ROTC affords opportunity for cadets to participate in flights in Air Force aircraft. Some flights are overnight trips to Air Force bases in other sections of the country.

In addition to Wednesday drills, advanced cadets have four hours of class work each week. To qualify for the advanced ROTC program, cadets are carefully screened during their first two years. The advanced course is primarily concerned with imparting knowledge and mental skills that will increase a young man's opportunities for success as an Air Force officer. Those men who choose to fulfill their military obligations through advanced ROTC are granted a draft deferment. Upon completion of four years of AFROTC training and graduation from the University, the advanced cadet receives a commission as a Second Lieutenant in the U. S. Air Force Reserve.

Instructors in the Air Science Department are Air Force officers specially selected by the USAF for this assignment. Each officer has taken an Academic Instructors course at the Air Force's Air University to prepare for his job. The Air Science curriculum that these officers teach was designed by a committee of top flight college educators and senior Air Force officers.

Commanding Maryland's AFROTC unit is Col. Robert E. Kendig, Prof. of Air Science. Over 35 regular Air Force personnel, who teach and keep detailed records on each cadet, compose Col. Kendig's staff.

The AFROTC Program is also available for a few selected women students. Upon successful completion of the program, they may be commissioned as members of Women in the Air Force.

BOARD

All dormitory residents are required to pay $200.00 for Dining Hall meals. Individual meals may be bought: $.60 for breakfast, $.80 for lunch, and $1.20 for dinner.

DINING HALL HOURS:

	Breakfast	*Lunch*	*Dinner*
Mon.-Fri.	6:30–8:15	11:10–1:10	4:30–6:05
Saturday	7:30–8:30	11:30–1:00	4:30–6:15
Sunday	8:30–9:30	12:30–1:45	Not served

A cafeteria is located on the ground floor of the Dining Hall and provides inexpensive lunches for commuting students. Students may also purchase meals at the Student Union cafeteria and various College Park restaurants and drugstores.

The Terrapin Room, Dining Hall "training room," is reserved for the serving of meals to the members of athletic teams during their respective seasons.

BOOKS AND SUPPLIES

Book stores on the campus and in the College Park area charge approximately the same prices for books and supplies. The Student Supply Store in the basement of the Student Union has, in addition to books and supplies, such items as sweatshirts, cosmetics, writing paper, and greeting cards. The Maryland Book Exchange, on the corner of Baltimore Blvd. and College Ave., does not have

such a wide variety of items, but does have a greater selection of supplies for class. Alpha Phi Omega service fraternity operates a book store in the Journalism Building. APO sells books for students on a nonprofit basis. There are also various stores in the College Park Shopping Center that have supplies for all student needs.

CLASS ATTENDANCE

Instructors may penalize students for absences. No automatic "cuts," or absences, are allowed except for students who have attained a 3.5 average for the previous semester. Whenever a student has accumulated more than three unexcused absences, the instructor reports such absences to the student's dean.

Excused absences include illness and participation in University activities at the request of University authorities. Absences due to minor illnesses are handled by instructors. The Infirmary or physician in attendance to a serious illness may give statements to deans regarding absences.

COUNSELING CENTER

The purpose of the Counseling Center is to help students with vocational choices and with educational and personal problems. Assistance is also available for diagnostic and remedial work in reading and study methods. The Center maintains an extensive supply of tests of abilities, aptitudes,

interests, and personalities. Students pay an annual Advisory and Testing Fee at the time of registration and are entitled to all services offered.

DROPPING COURSES

If a student has a legitimate reason, he is allowed to drop a course during the first three weeks of the semester. First-semester freshmen are allowed eight weeks in which to drop a course. Arrangements are made with the student's academic advisor.

EMPLOYMENT

Part-time campus jobs are handled by the Dean of Men's office, the Dean of Women's office, or the individual college. Employment opportunities through the Dean of Men's office include clerical, stenographic, laboratory, photographic, Dining Hall, Student Union, Library, proctoring, and drafting jobs.

The Dean of Women's office works in cooperation with the Dean of Men in placing women students in jobs. Dean Jameson must approve all women student positions in the Dining Hall and receptionists in the dormitories.

Each college offers a number of jobs for its students.

Generally, positions are open to students who

maintain a 2.0 average. The minimum pay scale for campus part-time employment is 75¢ an hour.

Other offices work in arranging summer employment. Mr. Knebel, Director of Student Employment, holds job conferences in March and April. Approximately twenty companies send representatives at this time. A complete listing of opportunities is kept in the Dean of Men's office. Information concerning women's summer camp jobs may be obtained at the Women's Physical Education Department.

Because of better pay scales, many students arrange for off-campus work. The Dean of Men's office offers a listing of all jobs that are reported to them, with information on the hours, type of work, and amount of experience desired. The listing is a service to the students and the Dean of Men's office does not arrange for interviews.

EXAMINATIONS

Periodic examinations are given throughout the semester at the discretion of the professors and department heads. If a student misses an exam and has a legitimate excuse, he will be allowed to make it up upon payment of $1.00 to the Registrar.

Final examinations are given at the end of the semester in accordance with an official schedule. A few courses, in which the progress and proficiency of the student can be rated during the semester, do not require finals exams.

INFIRMARY

Minor injuries and illnesses are treated at the Infirmary. A doctor is on call at all hours for emergencies. If the staff is unable to care for a patient, he is referred to outside treatment. A small ward, X-rays, a medical laboratory, and consultation rooms are available.

Each matriculating student is charged $5.00 for a health service fee. The Infirmary's staff consists of the director, Dr. Lester Dyke; five part-time doctors; and eight nurses.

HOURS:

Monday–Friday	8:00–1:00, 2:00–5:30
Saturday	9:00–12:00
Sunday	11:00–12:00

LAUNDRY

There are a number of laundromats and dry cleaning establishments located in the College Park shopping area. Washing machines and driers are located in most dorms. Students who subscribe to the Gordon-Davis Linen Service for $26 a year receive weekly: three bath towels, two sheets, and one pillowcase. Blanket service is provided at an additional cost.

LIBRARY

The recently opened library is arranged to enable students to find materials easily. There are six

subject reading rooms, each containing periodicals, reference books, and other materials. The book stacks are open to everyone. Books are checked in and out at the loan desk. Two book depositories are located at the front entrance for the return of books when the library is not open.

Modern facilities include typing booths, study rooms, and individual study booths; Sepcial Collection Room; Maryland and Rare Books Room; piano rooms; and a browsing room, where recent novels and favorite literary works are located.

HOURS:

Monday–Friday	8 a.m.–10 p.m.
Saturday	8 a.m.– 1 p.m.
Sunday	3 p.m.–10 p.m.

LOST AND FOUND

All students are requested to turn in found articles to the Gatehouse, located at the north entrance on Route 1. This is the only official lost and found department on campus.

MAIL

A University post office is located in the basement of the Student Union for the reception, dispatch, and delivery of U. S. mail, including parcel post packages and inter-office communications. U.S. mail is received at 8:30 a.m. and 2:00 p.m. and dispatched at 11:15 a.m. and 4:15 p.m. daily.

Each student is assigned a post office box at

registration, for which a small fee is charged. Boxes are also provided for various University groups.

A U. S. Post Office building is located in the College Park shopping area. The facilities are the same as those offered in any U. S. Post Office.

PARKING FACILITIES

The University provides parking facilities in 25 separate parking lots. Of these, the large parking areas—A, B, F, and J—are reserved for student parking. The others are for faculty and guests. Curbed recesses are reserved for visitor parking only.

There are approximately 9,000 registered vehicles and 6,000 parking spaces within the parking areas. This condition calls for rigid parking regulations and fines for violations. Students are informed of all regulations by the pamphlet entitled *University Traffic Regulations.*

A vehicle is considered illegally parked if it has not been registered, if the parking sticker which is obtained at registration is not properly placed, or if the vehicle is parked in a lot other than the one designated by its sticker. Duplicate stickers may be obtained at the Gatehouse at any time.

Fines are paid at the Police Cashier window in the Service Building.

Commuters are encouraged to join car pools to reduce the number of cars on campus.

PUBLICATIONS DISTRIBUTION

The *Diamondback* is published Tuesday through Friday and may be obtained at *Diamondback* boxes located at many places around campus. The *M Book* is distributed to all new students during Orientation Week. The two magazines, *Expression* and *Old Line*, are published frequently each year. The yearbook, the *Terrapin*, is distributed in May to students who hold University identification cards.

SCHOLASTIC REQUIREMENTS

The standard unit of academic work at the University is the semester hour, commonly called the "credit." One semester hour, or credit, is equivalent to one hour a week of class work for a semester. Two or three hours of laboratory work is equal to one credit. The standard academic load is 15 to 19 credits a semester.

The grades given at Maryland are: A—superior, B—good, C—average, D—passing, and F—failing. Grades are assigned numerical values starting with 0 points for "F" and going up to 4 points for "A." The student's grade-point average is found by multiplying the number of credits of each individual course by the numerical value of the grade received, adding all of the products and dividing by the total number of credits.

To make junior standing a student must complete 56 semester hours of academic work and have a scholastic average of at least 2.0. An average of

2.0 or better and completion of the required curriculum are necessary for graduation.

A report of students doing work of caliber less than "C" is made at the end of the first six weeks of each semester. Each instructor reports the names of such students to their respective deans. Each dean then notifies the student by means of a "dean's slip."

Information concerning the Academic Probation Plan and other academic regulations may be found in *University Regulations and General Information,* a booklet issued to students by the University.

STUDENT DIRECTORY

The *Student-Faculty Telephone Directory is* published by the University each year and sold at the book stores a few weeks before the Christmas holidays. A general telephone directory, academic calendar, names and addresses of Board of Regents members, Administration officers, department heads, and organization officers are included. The *Directory* also has a complete listing of students—their year and college, campus post office box number, home address, campus address, and the phone number at which they can be reached.

STUDENT UNION

The Student Union provides a cafeteria, a tobacco counter, a book store (see BOOKS AND SUPPLIES), a post office, recreation facilities, meeting rooms, and student offices.

Recreational facilities include a theater in which recent full length motion pictures are shown at 7:30 p.m. on Friday and Sunday, and at 7 and 9 p.m. on Saturday; television rooms, with three black and white and one color sets, which allow each local channel to be viewed at the same time; a browsing library, which contains periodicals and light reading material; lounges; a music library with a piano, music listening booths, and records; a game room, for table games, which serves also as a lunch room for daydodgers during the noon hour; and a billiard room with six tables.

Meeting rooms, which may be used by any recognized campus organization, must be reserved in advance through the manager's office. There are 9 meeting rooms with capacities ranging from 20 to 300 persons. Special supplies—such as extra tables, chairs, and projection equipment—may be requested.

HOURS:

General

Monday—Thursday	7 a.m.—10 p.m.
Friday	7 a.m.—12 p.m.
Saturday	8 a.m.—12 p.m.
Sunday	2 p.m.—10 p.m.

Supply Store

(Special hours are held during the first weeks of school.)

Monday—Friday	8:30 a.m.—4:15 p.m.
Saturday and Sunday	Closed

Billiard Room

Monday–Friday	9 a.m.–4:30 p.m.
and	7 p.m.–10 p.m.
Saturday	1 p.m.–10 p.m.

TRANSPORTATION

Greyhound's Baltimore-Washington buses leave College Park every half hour and go to the Washington, D. C. terminal at 1110 New York Ave., N.W. Trailways has a terminal in Washington at 1201 New York Ave., N.W. Suburban Transit buses go, via University Blvd., to Silver Spring every half hour. Also, a streetcar leaves every half hour from the corner of College Ave. and Rhode Island Ave., east of Baltimore Blvd., with destination of 19th and D Streets, N.W., Washington.

All major east coast airlines and many small ones serve the Washington National Airport in

Virginia. The Airport can be reached by crossing Memorial Bridge and continuing out Route 350. Ticket offices are located in the Suburban Trust Company buildings in College Park and in Washington. Baltimore's Friendship International Airport can be reached by following the signs on the Baltimore-Washington Parkway.

B. & O., C. & O., R. F. & P., Pennsylvania Southern, Atlantic Coast, Seaboard, Norfolk, and Western trains serve directly and indirectly into Union Station in Washington. The phone number is EXecutive 3-7900.

CALENDAR OF EVENTS

Each spring the SGA, in cooperation with the Dean of Women, compiles a master calendar from which a semester's calendar is printed for student distribution. A weekly social calendar, issued for students by the social director, is mailed to residences on Thursday morning.

SEPTEMBER

14	Dormitories open
14-27	Freshman Orientation
15-19	Registration
20	Away football—Wake Forest

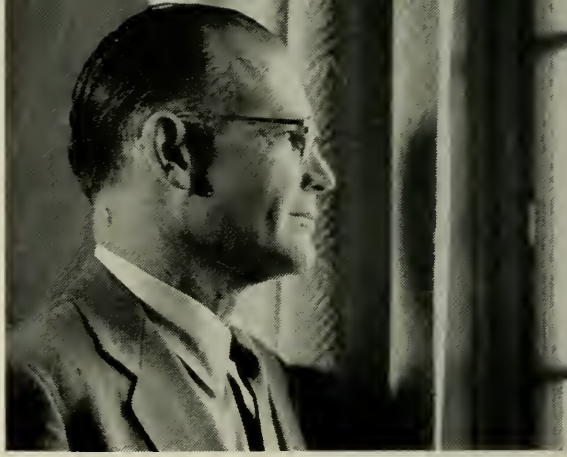
ADMINISTRATION



DR. WILSON H. ELKINS—*President*

DR. ELKINS was chosen to become President of the University of Maryland in the spring of 1954. He was officially inaugurated on January 20, 1955. Dr. Elkins' climb to this office began in 1936 when he started teaching at the University of Texas. Two years later he became president of San Angelo Junior College, and in 1949 he assumed the presidency at Texas Western. He remained there until he accepted his present position.

Dr. Elkins attended Schreiner Institute, in Texas, and the University of Texas, where he received B.A. and M.A. degrees in history. In 1933 he was awarded a Rhodes Scholarship to Oxford University in England. There, in 1936, he received Bachelor of Literature and Doctor of Philosophy degrees.

A member of Phi Beta Kappa, Dr. Elkins was also a three-letter man as an undergraduate.

THE PRESIDENT'S OFFICE

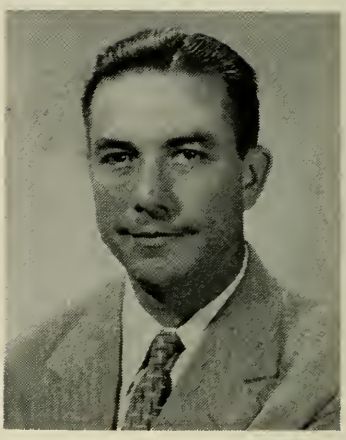
As President of the University of Maryland, Dr. Elkins directs the staff, faculty, and students of the University. His direct responsibility is to the Governor of Maryland and to the Board of Regents.

Some of Dr. Elkins' top aides are: Dr. Albin O. Kuhn, Executive Vice President; James Borreson, Executive Dean for Student Life; Dr. Frank L. Bentz, Jr., Assistant in the President's Office; Alvin E. Cormeny, Assistant to the President, in Charge of Endowment and Development; and Dr. R. Lee Hornbake, Dean of the Faculty.

Some of the general administrative officers are: G. Watson Algire, Director of Admissions, who approves all new students and organizes registration procedures; Mrs. Norma Azlein, Registrar, who is in charge of grade records and processes.

Also included are: Robert J. McCartney, University Relations Director, who takes care of University publications and publicity; and Dr. Lester M. Dyke, Director of Student Health Service, who supervises the Infirmary and oversees health control measures in campus residences.

Other administrators include: Adele Stamp, Dean of Women; Geary Eppley, Dean of Men; and William Cobey, Director of Athletics.



Dr. Albin O. Kuhn—
Executive Vice President

Dr. Kuhn was appointed Executive Vice President of the University in February, 1958. Prior to his present position, he served for three years as Assistant to the President, handling much of the work arising in the President's office.

Dr. Kuhn attended the University of Maryland and did graduate work at the University of Wisconsin. He began teaching agronomy at Maryland in 1939 and by 1948 was a full professor and head of the Agronomy Department. He was named Assistant to the President in 1955.

While at Maryland, Dr. Kuhn has been tapped by ODK, Alpha Zeta, and Sigma Xi, graduate research fraternity.

B. James Borreson—
Executive Dean for Student Life

Dean James Borreson, one of the newest administrators at Maryland, received his B.A. degree from the University of Minnesota in 1944. During his undergraduate years he was president of his social fraternity, Alpha Delta Phi, president of IFC, and co-chairman of a campus political party.

He began teaching in Minnesota's Humanities Department in 1946, became Director of Student Activities in 1947, and received the Faculty Recognition Award from the student body in 1954.

From Minnesota Dean Borreson moved to Harvard where he was appointed Assistant Dean of the Graduate School of Business and Instructor of Administrative Practices.

ADELE STAMP—*Dean of Women*

At Dean Stamp's office all campus social functions are registered and all women's housing is approved.

Assistant Dean Eileen M. McCormick handles registration of social functions and also serves as advisor to Panhellenic Council, while Associate Dean M. Margaret Jameson supervises women's residences.

Job placement and counseling are Assistant Dean Marian Johnson's responsibility. Assistant Dean Julia E. Billings serves as advisor to AWS and Campus Judicial Board.

GEARY EPPLEY—*Dean of Men*

Dean Eppley, in addition to being Dean of Men, is also Chairman of the Athletic Council.

Some of the duties and responsibilities of his office are handled by a staff of assistants, which include Assistant Dean Doyle Royal, Director of Off-Campus Housing, and Associate Dean Robert C. James, Director of Men's Housing.

Professor Furman Bridgers, Foreign Student Advisor; Assistant Dean Lewis Knebel, Director of Student Placement Service; and Assistant Dean Fred DeMarr, Coordinator of Student Activities and Chapel Functions; are under the directorship of the Executive Dean for Student Life.

Dr. Lee Hornbake
Dean of the Faculty

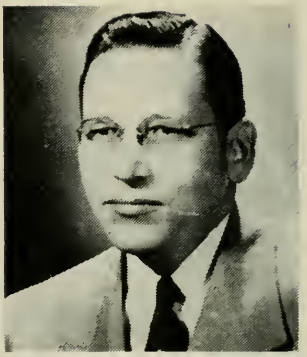
Dr. Ronald Bamford
Dean of the Graduate School

Dr. Ray Ehrensberger
College of Special and Continuation Studies

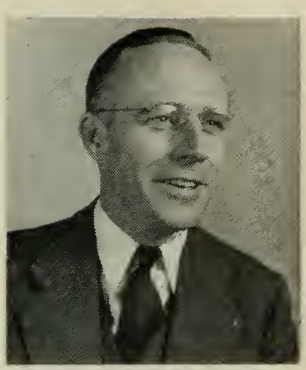
Dr. Leon P. Smith
College of Arts and Sciences

Dr. J. Freeman Pyle
College of Business and Public Administration

Dr. Frederic Mavis
College of Engineering



DR. VERNON ANDERSON
College of Education



DR. GORDON CAIRNS
College of Agriculture

ACTING DEAN
FLORENCE KING
College of Home Economics

DR. LESTER FRALEY
College of Physical Education

STUDENT LIFE COMMITTEE

The Faculty Senate Committee on Student Life, or the SLC as it is often called, is the policy-making body in the field of student life and activities at Maryland. All campus organizations are subject to its policies and approval. The committee also recognizes new organizations, regulates social functions, and makes recommendations to SGA.

Members of SLC are appointed by the Executive Committee of the University Senate on the basis of applications and recommendations for membership. Members represent the various areas of campus life through which the student comes in contact with the faculty and administration.

Three students serve on the committee; they are the presidents of SGA, AWS, and Men's League. A student from the Baltimore schools is also officially on the committee, although most of the committee's functions concern only the College Park campus.

The committee chairman is Professor Russell Allen. Other members include: Dean Borreson, Dean Eppley, Dean Stamp, Dean James Reid, Dean Lester Fraley, Dr. Dorothy Deach, Eileen McCormick, Ann Norton, Dr. Fred Thompson, Dr. Norman Laffer, Dr. Joseph Mattick, Virginia Conley, Dean James, and Professor Bridgers.

BOARD OF REGENTS

Charles P. McCormick, Sr., *Chairman* 1966*
Edward F. Holter, *Vice-Chairman* 1959
B. Herbert Brown, *Secretary* 1960
Harry H. Nuttle, *Treasurer* 1966
Louis L. Kaplan, *Assistant Secretary* 1961
Edmund S. Burke, *Assistant Treasurer* 1959
Thomas W. Pangborn 1965
Enos S. Stockbridge 1960
Thomas B. Symons 1963
C. Ewing Tuttle 1962
Alvin L. Aubinoe 1967

———

* Denotes expiration of term of office.

STUDENT GOVERNMENT

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA), is the main organization of student government at the University of Maryland. Its major function is to coordinate organizations, other governing and law-making groups, and to appropriate student funds.

SGA has three divisions. The first is the Executive Council, consisting of 15 members who are the SGA administrative officers—President, Vice-President, Secretary, and Treasurer; the four class presidents; the president of AWS; the president of the Men's League; two independent representatives; and one fraternity and one sorority representative.

Aiding the Council in its work is the Legislature, composed of nine seniors, eight juniors, seven sophomores, and six freshmen.

The third division, composed of AWS, Men's League, and the various special and standing committees of SGA, carries out the action designated by the Council and Legislature.

Standing committees of SGA include: Finance, headed by the SGA Treasurer; Elections, headed by the Men's League President; and Organization and Procedures, headed by the Vice-President of

SGA. Special Committees, such as Student Welfare, Social Affairs, Campus Improvement, Student Activities, Constitution, Campus Chest, Freshman Orientation, Homecoming, Dad's Day, Student Union, Culture, Public Relations, Traffic Appeals, Job Placement, and Who's Who among Students in American Universities and Colleges, are headed by students appointed by the SGA President with the approval of the Executive Council. Any student may apply for these chairmanships or for membership on the committees.

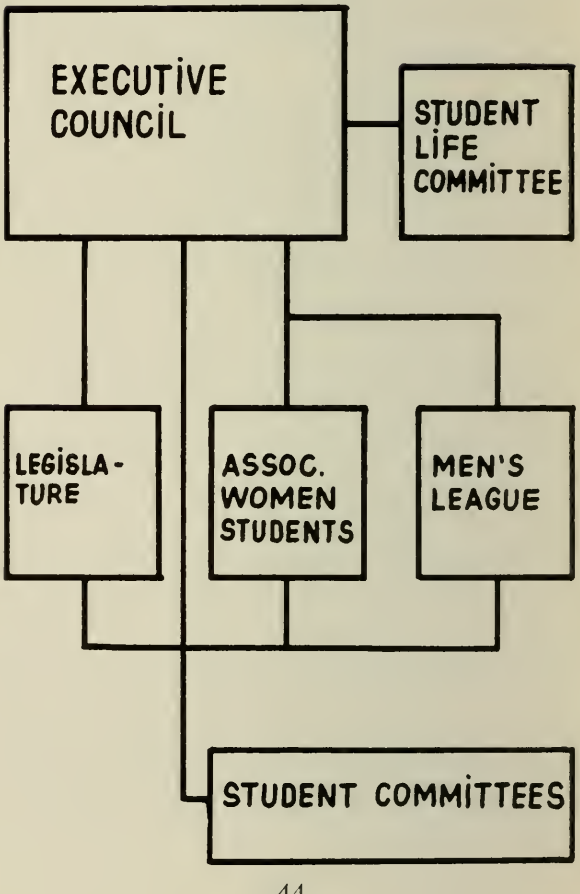
Sub-committee chairmanships and committee members, in most instances, are chosen by the chairman of the activity.

Class activity chairmanships are appointed by the respective class executive councils.

Students that are interested in working for an SGA committee should fill out an application, obtainable at the SGA office in the Student Union Building. Reminders that applications are being accepted for a particular committee and notification of the deadline for application usually appear in the *Diamondback* before the committee is selected.

Most of the students' extracurricular activities are governed, regulated, or planned by one or more of SGA's committees; thus committees are important to every Maryland student. Operation of the various committees is solely dependent upon students, and every student is welcome to participate.

STUDENT GOVERNMENT ASSOC.



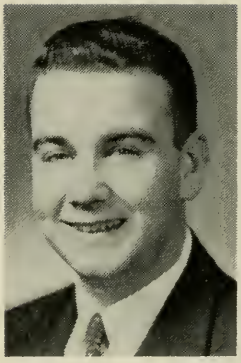
THE EXECUTIVE COUNCIL

The Executive Council of the Student Government Association meets each Tuesday evening in the Student Union Building; all regular meetings are open. Students are welcome and are urged to attend meetings concerning their particular interests.

If a student has a problem which he feels the entire Council should discuss, he may bring this matter to the attention of the Council at any SGA meeting. Action on a motion, however, must originate in the Legislature.

The Student Life Committee, a part of the Faculty Senate, aids the Council in an advisory capacity. This committee makes recommendations to SGA, which the group considers but is not forced to accept. In addition, this 17 member committee must approve every organization, honorary, fraternity, and sorority that wishes to become established on this campus. Thus the Student Life Committee is the main link between the student body and the administration.

The Council, known in the SGA Constitution as the Cabinet, executes all laws enacted by the Legislative Council. They also have the power to veto any action of the Legislature by a majority vote.



VERNON BRIGGS
SGA President

EXECUTIVE COUNCIL MEMBERS

President ..... Vernon Briggs
Vice-President ..... Joe Hardiman
Secretary ..... Judy Taggart
Treasurer ..... Bruce Colvin
AWS President ..... Alice Heisler

Junior Class President ..... (Vacant)
Sophomore Class President ..... Edward Griswold
Freshman Class President ..... (To Be Elected)

ASSOCIATED WOMEN STUDENTS

President	Alice Heisler
Vice-President	Patricia Hensley
Secretary	Martha Tatum
Treasurer	Barbara Green

Associated Women Students (AWS), is the governing body of all women students at the University of Maryland.

Its main function is to formulate and administer the campus rules and standards of conduct applying to women. This is accomplished through the following sub-divisions: the Residence Council, composed of dormitory and sorority house presidents; the Dormitory Council, which is concerned with the problems of dormitory government and Executive Council policies affecting women's dormitories; the Judicial Board, governing board for campus women's regulations; and the Academic Board, responsible for encouraging high standards and stimulating intellectual activity.

The AWS also sponsors various social activities, assists WRA in its intramural program, and directs special events such as the Christmas Pageant.

MEN'S LEAGUE

President ..... Charles Peterson
Vice-President ..... Bert Coble
Secretary ..... Charles Broadrup
Treasurer ..... Roger Barker

Men's League, the men's counterpart to AWS, is the body which administers the rules and regulations governing the men's dorms. It also works to promote the educational, cultural, social, and athletic welfare of the men at the University.

The Men's League consists of an Executive Council and the Dormitory Council.

The Executive Council is composed of the League's officers and elected representatives of each class, Alpha Phi Omega, the Interfraternity Council, and the Independent Students Association.

The Dormitory Council works to encourage dorm activities and serves, through the proctors, as a disciplinary board for offenders in the dormitories.

Proctors are students who maintain order and discipline in the dormitories. They are responsible for enforcing quiet hours and seeing that rooms are kept clean and that health standards are maintained.

LEGISLATURE

The Legislature is composed of nine seniors, eight juniors, seven sophomores, and six freshmen. Its purpose is to give each class a direct voice in SGA affairs. Freshmen members are elected in October.

All bills and resolutions must originate in the Legislature. Furthermore, the Legislature must approve all allocations of student funds proposed by the Finance Committee of the Cabinet. In turn, however, the Executive Council has the right of veto over the Legislature, thereby checking the powers of the largest of the student governing bodies.

If a student has a problem or idea that he would like to have discussed in SGA, a motion is arranged by contacting a member of the Legislature. The Legislature is new this year and only by voicing the wishes of the students as a whole can it be successful.

Members of the Legislature, other than freshmen, are elected in the spring during the annual campus elections.

Sybil Rappaport
Warren Duckett

Freshmen (To Be Elected)

CLASS OFFICES

Individual classes elect officers to plan and carry out student activities. These subdivisons of SGA organize recreational, social, and cultural functions that supplement other programs sponsored by the various departments of the University. Each class holds its own prom and other traditional events.

The graduating class' annual show, "The Senior Class Presents," is usually held in the spring. The Senior Class arranges to bring a big name orchestra, jazz band, or vocal group to the University. Last year Fred Waring and his Pennsylvanians were the featured attraction.

The Junior Class gives the largest prom; it is at this dance that "Miss Maryland" is crowned. The Juniors also arrange the program for the Fall Conference (the training camp for Freshman Orientation "Hat People").

The Sophomore Class traditionally sponsors the Sophomore Carnival. The Carnival is held in early spring to raise money for Campus Chest.

The Freshmen sponsor their prom in the spring and traditionally hold a "Freshman Day."

To work in the production of any of these activities, watch for notices in the *Diamondback* and apply to the individual executive councils of the class. Each event needs and welcomes your support.

CLASS OFFICERS

Senior Class

President ..... Rand Tuttle
Vice-President ..... Jean Lacey
Secretary ..... Bev May
Treasurer ..... Jackie Eads
AWS Representative ..... Margaret Duncan
Men's League Representative ..... Edward Cox

Junior Class

President ..... (Vacant)
Vice-President ..... Betty Conklin

Men's League Representative ..... Paul Gardella

Sophomore Class

President ..... Edward Griswold
Vice-President ..... Arlene Joffe
Secretary ..... Beverly Fussell
Treasurer ..... Neil McNerny
AWS Representative ..... Sue Laffan
Men's League Representative ..... Tom Baker

Freshman Class

(To Be Elected)

ELECTIONS

Every spring elections are held for the SGA, AWS, Men's League, class offices, and Legislature positions. Each candidate must meet the requirements enumerated in the SGA Constitution, and he must agree to follow the regulations governing election rules.

Freshman elections are held early in October. The offices to be filled at this time are:

President
Vice-President
Secretary
Treasurer
AWS Representative
Men's League Representative

Any freshman may be nominated for an office by securing the signatures of 50 of his classmates on a petition for office and by presenting this list to the Elections Board before an announced deadline. If there are more than two candidates for an office, primary elections are held to narrow the field to two.

S. G. A. CONSTITUTION

(A summary of the new S. G. A. Constitution)

Preamble

We, the students of the University of Maryland, in order to encourage democratic thought and action, offer training in the application of our cherished principles of self-government, secure to ourselves the right to discuss and formulate our own policies, demonstrate our concern for and promote the interest of our alma mater, and provide the fullest degree of self-government possible under the jurisdiction of the University's administrative personnel and governing bodies and under the constitution and laws of the State of Maryland and of the United States of America, do hereby ordain and establish, under God, this Constitution to be the fundamental law governing ourselves and our successors, now and hereafter, so long as it shall stand the test of time and respond to our need for self-government.

Article I—General Purposes of S. G. A.

The S. G. A. shall formulate policies governing the activities and welfare of the students and will advise the President and the Faculty Senate on student viewpoint concerning all matters affecting students. The S. G. A. will be the supreme student governing body at the University of Maryland and shall try to implement the objectives set forth in the Preamble.

Article II—Organization

All full-time undergraduate students are members of S. G. A., but the Association shall be divided into three branches: Executive, Legislative, and Judicial.

A. *Executive Branch*

Section 1. All executive powers granted herein shall be vested in the Cabinet of S. G. A.

This Cabinet shall consist of: the President, Vice-President, Secretary, and Treasurer of the Student Government Association; the Presidents of the four classes; the President of the Men's League; the President of AWS; a fraternity representative; a sorority representative;

an independent men's representative; and an independent women's representative.

In addition, the Associated Women Students of the University of Maryland shall constitute a department of this government, operating under the direction and control of the Cabinet of the Student Government Association, and shall govern only and exclusively on matters pertaining solely to women students. The President of AWS, as a member of the Cabinet of SGA, shall be responsible to the Cabinet for any and all action of AWS.

The Men's League of the University of Maryland shall constitute a department of this government, operating under the direction and control of the Cabinet of the Student Government Association and shall govern only and exclusively on matters pertaining solely to men students. The President of Men's League as a member of the Cabinet of SGA shall be responsible to the Cabinet for any and all actions of Men's League.

Section 2. Major Powers and Duties

Subsection A. All Executive powers and duties granted herein, except those specifically designated to the AWS and Men's League, shall be vested in the Cabinet of the Student Government Association.

Subsection B. The Cabinet shall execute all laws enacted by the Legislative Council.

Subsection C. The Cabinet shall make recommendations to the Legislative Council.

Subsection D. The Cabinet may veto any action of the Legislative Council by a majority vote, but such vetoes may be overridden by a three-fourths vote of the Legislative Council.

Subsection E. The Cabinet shall bring formal charges before the Student Court against any Student Organization on the College Park Campus which violates any provisions of the Student Government Association Constitution and Bylaws.

Subsection F. The Cabinet shall have the power to recognize new student organizations except social, fraternal, professional, or honor societies, and student mass media of communication and to approve new and revised student organization constitutions subject to the final action of the Faculty Senate Committee on Student Life and Activities.

Subsection G. The Cabinet may initiate action before the Student Court regarding

the legality of any student constitution or bylaws by a majority petition of the Cabinet.

Subsection H. The Finance Committee of the Cabinet shall recommend to the Legislative Council for its approval all proposed allocations of student funds.

Subsection I. The Cabinet shall fill any vacancies in the Legislative Council by appointment.

Subsection J. The Cabinet shall approve all appointments of student communication officers made by the Faculty Senate Committee on Student Publications and Communications.

B. Legislative Branch

Section 1. The senior class shall elect nine representatives to the Legislature from their class; the junior class shall elect eight representatives to the Legislature from their class; the sophomore class shall elect seven representatives to the Legislature from their class; the freshman class shall elect six representatives to the Legislature from their class. Two-thirds

of the total membership of the legislative branch shall constitute a quorum.

Section 2. Major Powers and Duties

Subsection A. All Legislative powers granted herein shall be vested in the Legislative Council subject to the right of veto by the Cabinet.

Subsection B. All bills and resolutions shall originate in the Legislative Council.

Subsection C. The Legislative Council shall approve or disapprove, by a majority vote of those present and voting, all allocations of student funds proposed by the Finance Committee of the Cabinet. The Legislative and Executive Branches shall be elected annually by the student body located at College Park, Md., in accordance with rules and regulations governing elections.

C. Judicial Branch

Section 1. Organization of Student Court

Subsection A. All judicial powers granted herein by the Faculty Senate Committee on Student Discipline shall be vested in student

courts. The Central Student Court shall be composed of seven voting members with a 2.5 average appointed by the President of the Student Government Association with a two-thirds approval of the Cabinet; one half shall be members of Mortar Board or Mortar Board nominees other than members of said group and not holding an office in the SGA Cabinet; one half shall be members of Omicron Delta Kappa or Omicron Delta Kappa nominees other than said group and not holding an office in the SGA Cabinet. One shall be a member of the Senior Class who holds no office in the SGA Cabinet, the Interfraternity Council, or the Panhellenic Association and whose record of conduct is above reproach in the eyes of the University.

The Student Court will have three advisors as follows: the Dean of Women or her designated representative; the Dean of Men or his designated representative, and the Chairman of the Committee on Student Discipline of the Faculty Senate or a member or the committee designated as his representative.

Section 2. Major Powers and Duties

Subsection A. The Central Student Court shall have original jurisdiction in all cases involving the Constitution or the Bylaws

passed in pursuance thereof. Such action shall be initiated by:

1. Majority petition of the Legislative Council and/or the Cabinet.
2. Majority request of the Student Court.
3. Petition of ten per cent of the Student Body.

Subsection B. The Central Student Court shall have jurisdiction in all disciplinary cases referred to them by the Dean of Men, Dean of Women, or the Dean of an undergraduate college located on the campus at College Park.

Subsection C. The Central Student Court shall have appellate jurisdiction over any case originating in an inferior student court which is appealed to that court and which the justices deem worthy of review.

Subsection D. The Student Court shall recommend, to the Committee on Student Discipline, punitive action to be taken against individuals or organizations adjudged guilty by the Student Court.

Subsection E. All decisions of the Student Court rendered under the authority granted

in Subsections B and C above, may be appealed to the Discipline Committee of the Faculty Senate.

Article III—Advisory Board

Section 1. The Advisory Board of the Student Government Association shall consist of the Assistant Dean of Men, Coordinator of Student Activities; the Assistant Dean of Women, advisor to Associated Women Students; the Chairman of the Faculty Senate Committee on Student Life; the Chairman of the Faculty Senate Committee on Student Publications and Communications; the Chairman of the Faculty Senate Committee on Student Discipline; and the President of the Student Government Association.

Section 2. The Assistant Dean of Men, Coordinator of Student Activities, shall act in the capacity of Chairman of this Board.

Article IV—Precedence

Section 1. The Constitution shall take precedence over any other instrument governing the student body of the University of Maryland, subject only to the rules and regulations

of the University Administration and its duly constituted regulatory bodies.

Section 2. All student organizations shall be under the authority of the Cabinet of the Student Government Association.

Section 3. Any person or group desiring to form a new student organization on the College Park campus must first petition the Cabinet of the Student Government Association. Upon the majority approval of the Cabinet this person or group shall then petition the Faculty Senate Committee on Student Life for final official University recognition.

Article V—Student Fees

Student Activity fees shall be paid to the University at the time regular session fees are payable. These fees shall constitute a general student activity fund to encourage activities beneficial to the general student body, the four classes, Associated Woman Students, Men's League, and any other organizations as can be interpreted to benefit the general student body, and shall be disbursed only by the Student Government Association subject to the regulations of the University.

Article VI—Elections

Section 1. No regularly enrolled, fulltime undergraduate student shall be denied the right to vote.

Section 2. Elections for all student government offices shall be conducted by the standing committee on elections.

Article VII—Petition, Initiative, Referendum, and Recall

The members of this organization shall have the right of petition, initiative, referendum, and recall in the manner specified in the Bylaws.

PUBLICATIONS AND COMMUNICATIONS

COMMITTEE ON STUDENT PUBLICATIONS AND COMMUNICATIONS

The Faculty Senate Committee on Student Publications and Communications provides faculty-student cooperation in regard to all publications and communications and their particular problems. Operating with near-equal student-faculty representation, the committee consists of eight students, eight faculty members, and a faculty chairman.

Student members include the editors-in-chief of the *Diamondback*, *Terrapin*, and *Old Line*; Radio Station WMUC's station director; and four students who, in the opinion of the committee, are representative of the major areas of campus life. The eight faculty members include three ex-officio members: The Head of the Department of Journalism and Public Relations, a representative of the President, and the Executive Dean for Student Life. The remaining five faculty members are persons not directly associated with the communications media.

During the latter part of the spring semester, the committee interviews and appoints the top editorial and business executives of the publications and Radio Station WMUC for the following year. All students appointed to executive positions by the committee must have at least a 2.2 cumulative academic average, and at least a 2.2 academic average for the semester prior to their appointment.

DIAMONDBACK

Editor	John Blitz
Executive Editor	Heather MacKinnon
Managing Editors	Bonnie Feldesman
	Frank Hunt
	Ellen Ragan
	Harold Taylor
Executive Sports Editor	Bob Irelan
Business Manager	Frank Ratka

The *Diamondback* is the newspaper for Maryland's student body. All phases of publishing the paper are handled by students; thus many opportunities to gain experience in the field of newspaper production are offered to aspiring reporters, artists, photographers, and business executives.

The *Diamondback* is published four times a week, Tuesday through Friday, and may be obtained by students at distribution points located throughout the campus.

EXPRESSION

Editor	Sidney Krome
Managing Editor	David Newman
Business Manager	Thomas Willoughby

Expression is the newest publication at Maryland, having been given S.G.A. recognition last year. It

grew rapidly from mimeographed stapled pages to its present booklet form.

Contributions for *Expression* are accepted from anyone that would like to write for student and faculty consumption. It provides an outlet for creative thought and expressive writing.

Expression is published semi-annually—the first edition in late fall and the second during the spring.

Material that is welcomed includes: poems, short stories, translations, and essays.

M BOOK

Editor ..... Beverly May
Managing Editor ..... Hart T. Joseph
Business Manager ..... Jerome Kender

M Book, the freshman handbook, is one of the new student's first introductions to University life. It is published during the summer for incoming freshmen and is distributed with the dinks during Orientation Week.

As a reference for new Maryland students, the *M Book* is invaluable. It contains as much information about the University of Maryland as it is possible to get into one small handy volume.

The editor, managing editor, and business manager are appointed by the Publications Board early in the spring. Other staff members are appointed by

the editor from applications submitted by interested individuals. These applications are accepted at the beginning of the second semester. No experience is necessary to work on the *M Book*.

OLD LINE

Editor ..... Kenneth Duncan
Managing Editor ..... Gary Phillips
Business Manager ..... William Demas

Published six times during the school year, the *Old Line* magazine is well known to Maryland students. The magazine presents the best in campus humor, with emphasis on situation comedy and satire. It also contains poetry; articles on news, campus personalities, and activities; cartoons; and photo features.

The editor, managing editor, and business manager are chosen by the Publications Board in the spring. New general staff members are selected at any time during the school year. Membership on the staff is open to all students. Especially needed are satire and humor writers, poets, and students interested in advertising. Anyone who wishes to work for the *Old Line* should apply at the *Old Line* office located on the second floor of the Journalism Building. Contributions from any student, whether on the staff or not, are always welcomed.

The *Old Line* is available to all students and may be picked up at convenient distribution points throughout the campus.

TERRAPIN

Co-Editors.....Jackie Eads and Beverly May
Managing Editor.....Carol Plumhoff
Business Manager.....Jerome Kender

A pictorial account of a year at Maryland, showing the social, athletic, academic, and political life of the students, is presented in the *Terrapin,* the student annual.

During the May Day ceremonies, the May Queen is presented the first copy. Later in the month, students receive their copies at the Journalism Building.

Many *Terrapins* have been given an All-American rating, the highest award a yearbook may receive.

Long hours and hard work went into last year's colorful volume of 376 pages. SGA spent $42,000 on the 1958 yearbook, making it the largest and most expensive issue to date.

Positions on the staff are open to students as feature writers, photographers, business assistants, typists, and copy readers. Those interested should apply to the editors.

WMUC

Station Director ..... Thomas Willoughby
Program Director ..... Jack Bowden
Business Manager ..... John McGeady

Located in the old Journalism Building (FF), WMUC, the radio voice of the University, operates ten hours a day—Sunday through Friday—on 650 kilocycles.

Featuring broadcasts of campus activities, WMUC covers the IFC Sing, the "Messiah," and Student Union Dances.

Recently a variety of new programs have been inaugurated: "Campus Dinner Views," exchange programs with other colleges, live coverage of home and away basketball games, and SGA meetings.

Future plans for WMUC include complete campus reception and record hops.

WMUC is a member of the College Radio Corporation and the National Advertising Agency.

Those students interested in announcing, writing scripts, or participating in any other aspects of radio should see Tom Willoughby.

PI DELTA EPSILON BANQUET

Pi Delta Epsilon, national publications honorary, gives the Publications Banquet each spring.

Immediately preceding the Banquet is the initiation of new members and afterward is the presentation of awards and keys to students that have done outstanding work for the various publications.

Editors, at this time, introduce their successors and recognize the outstanding members of their staffs.

In honor of a former *Diamondback* business manager, the E. A. Coblentz Memorial Cup is presented to a freshman who has done outstanding work during his first year in publications.

The William H. Hottel Award is given, by Pi Delta Epsilon, to the senior who has contributed the most to publications during his four years at Maryland.

National Pi Delta Epsilon medals of merit are awarded to the most outstanding male and female students in publications.

All students are welcome to attend the Banquet.

CULTURE AND ENTERTAINMENT

There Is Bound to be something that suits every collegian's taste with all of the cultural and entertainment opportunities and facilities at Maryland. Possibly he will even find new interests.

UNIVERSITY THEATER

The University Theater, composed solely of students, gives four productions a year in the Central Auditorium in the Skinner Building. Tickets are obtained in return for a ticket from your activities book. Students who enjoy being on the other side of the footlights should watch the *Diamondback* for tryout annoucements. Last year's productions included "Teahouse of the August Moon," "Antigone," and "Oklahoma." The plays run for a week.

KA MINSTREL

The annual Kappa Alpha Cotton Pickers Minstrel always entertains a full house. Songs, dancing, music, and comedians are featured in the show that presents black faces and the favorities, Mr. Gallagher and Mr. Sheen.

OVERSEAS SHOW

This production is a variety show composed of student acts ranging from singers to magicians. Tryouts are open to all students. The show goes on an annual tour during the Christmas recess to entertain servicemen. A preview performance is presented for the students on campus before the tour.

NATIONAL SYMPHONY SERIES

The world-renowned National Symphony Orchestra, under the direction of Dr. Howard Mitchell, offers the National Symphony Series to students for the special rate of $3. This ticket entitles holders to four concerts during the year—usually two a semester. Concerts are held in Ritchie Coliseum, and tickets may be purchased in the Student Union, Albrecht's Drugstore, and the Record Center of College Park. Last year Violinist Isaac Stern and Pianist Phillippe Entremont appeared. The Civic Ballet Society of Washington's performance of "Copellia" and Italian Opera Night were the other two features of the series.

GUEST ARTIST SERIES

The Culture Committee of S. G. A. sponsors a guest artist series through which Alec Templeton, the National Ballet of Canada, and Mantovani entertained students last year. Concerts are usually held in the Cole Field House, and tickets are free on presentation of the activities book.

SENIOR CLASS PRESENTS

J. J. Johnson, Kai Winding, and the Australian Jazz Quartet have been guests at Maryland under the auspices of the senior class and the "Senior Class Presents" show. Last spring Fred Waring entertained. Each year an outstanding entertainment personality is presented and tickets are sold for a nominal amount.

Two Flapper Girls from the Annual KA Minstrel Show

UNIVERSITY BAND

Band concerts usually are given twice a year in Ritchie Coliseum, and admission is free. The group is composed entirely of students. Anyone who is qualified may audition for membership.

INTERFRATERNITY SING

The Interfraternity Sing, sponsored annually in the spring by Delta Delta Delta sorority, is held in Ritchie Coliseum. It is the largest gathering of Greeks all year, but, of course, all are welcome and admission is free.

Each sorority and fraternity may enter a group to present a song for competition. While judges decide the winners, special awards, including the Morty Cohen Award and Fraternity Man of the Year, are presented. Tapping for Diamond, sorority honorary, also takes place.

HARMONY HALL

In the fall, Harmony Hall is presented by Phi Kappa Tau. Barbershop quartets entered by sororities and fraternities sing in competition. It is held in Ritchie Coliseum and admission is free.

Pianist Alec Templeton Performs at Maryland

CHAPEL CHOIR

The University's Chapel Choir presents numerous programs of religious music during the school year. Highlighting their annual schedule is Handel's "Messiah," which is presented at Christmas and Easter. It is given in the Memorial Chapel the Sunday before classes adjourn for the holidays. Interested students are urged to audition.

WOMEN'S CHORUS

The Women's Chorus presents concerts periodically during the year. Following the A.W.S. Christmas Pageant, the Chorus presents annually the "Ceremony of Carols."

MEN'S GLEE CLUB

The University's Men's Glee Club offers a concert in both the fall and spring. The *Diamondback* announces the dates of these events.

A.W.S. COFFEE HOURS

Coffee hours are sponsored by the Associated Women Students on Tuesday or Thursday afternoons, usually once a month. Discussions and talks, led by faculty members, include various subjects of interest to students. The *Diamondback* carries the times and dates.

AQUALINERS

Each spring the synchronized swimming group, the Aqualiners, stages a water show. The group meets every Tuesday night at Preinkert Field House where instruction is offered. Their annual show is held in the men's pool of the Cole Field House. Tickets may be obtained at the door.

GYMKANA

An annual gymnastics show is presented by the Gymkana Troupe each spring. Ticket books serve as admission to the show, which is held at Cole Field House. Brief shows are also given during intermissions in athletic events. Everyone is welcome to try out for membership in this student group.

ART EXHIBITS

Each year the Fine Arts Department sponsors several art exhibits which are held in the Student Union. Last year renowned teacher-artist Professor Joseph Wrobel gave a demonstration with his exhibition.

STUDENT UNION MOVIES

First rate Hollywood films are shown at the Student Union on Friday and Sunday nights. Last year such attractions as "Rebel without a Cause," "The Robe," and "Teahouse of the August Moon" were shown. Each semester a schedule of the program is issued. Admission is 25¢.

RELIGION

The University of Maryland has many religious organizations which students can join and include as a part of their college life. Most of the clubs meet on Wednesday nights, offering social and religious activities throughout the year. Through these organizations the student may meet others who share a common interest in his religious denomination.

Offices are located in the Chapel for each denomination represented on campus. Each of the clubs have chaplains or advisors to help the students with their organizations.

Those interested in joining a religious club may contact the advisor, an officer, or simply attend one of the regular meetings.

STUDENT RELIGIOUS COUNCIL

The Student Religious Council is organized to stress the importance of religion in the college student's life. The Council is the interfaith group that serves to coordinate the activities of the various religious groups.

The Council is composed of representatives from each of the various religious clubs. They meet weekly in the Chapel with this year's president, Charles Peterson, presiding.

The main project of the group is the sponsorship of Fireside Chats. Each semester one of the

University's chaplains visits each of the campus residences and gives a brief talk that is followed by a question and answer period.

BAPTIST STUDENT UNION

Throughout the year the Baptist Student Union offers a full and active program—fall and spring retreats, summer activities, conventions for Baptist college students in the area schools, and dinners for foreign students.

The club meets daily at 12:20 and on Wednesday nights in room 252 in the Chapel. Students interested in learning more of the club's activities should call Carol Savage at WA 7-8347.

Church—Northwestern High School
Colesville Road
Hyattsville, Md.

CANTERBURY ASSOCIATION

Each Sunday the Canterbury Association has a supper club for Episcopalians at 5:30 in the St. Andrew's Parish House. The club holds its regular meetings on Wednesday at 7:30 in the student lounge of the church. Holy Communion is cele-

brated every Thursday morning at 7 in the West Chapel of the University Chapel.

The Canterbury Club holds two conference retreats a year, an annual Christmas party for children of the Episcopal Home, and a spring banquet and picnic. Sara Lee Gribbon can be contacted for other information.

Chaplain—Rev. Edward N. Burdick
3419 Tulane Drive
West Hyattsville, Md.

Church—St. Andrew's Episcopal Church
College Avenue
College Park, Md.

CHRISTIAN SCIENCE ORGANIZATION

The Christian Science Organization meets every Wednesday evening at 6:30 in the West Chapel.

The organization offers Bible studies and testimonials at meetings. Ray Rivera may be contacted at JU 9-0243 for further information.

HILLEL FOUNDATION

Hillel Foundation of B'nai B'rith meets every Thursday at 8 p.m. in the Hillel House. The club has its socials Wednesday nights at 8.

Among the club's activities are an annual carnival in the fall and a skit night during the winter. Anyone interested in joining the group may call Stuart Hack at the TEP house.

College Park, Md.

ISLAMIC FOUNDATION

The Islamic Foundation sponsors a program each week, usually including speakers from Moslem countries. The club meets at 7:30 p.m. every Wednesday in the Student Union and on Fridays at 12:30 p.m.

The purpose of the group is not only to know and better understand the Moslem religion, but also to bring Moslem and American students together. The membership of all students is encouraged. Hameed Naz is available at AP 7-1433 for further information about the foundation.

Hyattsville, Md.

LUTHERAN STUDENT ASSOCIATION

The Lutheran Club has its regular Wednesday night meetings at 7:30 and holds a supper club on Sunday evenings at 6 in the church. Speakers highlight the regular meetings and socials are held on Friday nights.

The annual regional meeting is held at Buckhill Falls in eastern Pennsylvania. Retreats are also an important part of the yearly program.

Those interested in learning more about the program of the association may contact Gary Platterspiel.

Church—Memorial Chapel
Campus

WESLEY FOUNDATION

Every Wednesday night at 7:30 the Wesley Foundation discusses current religious issues and holds other interesting programs. The club has suppers and holds discussions on Sundays. Twice a year the members participate in retreats.

Socials on the weekends, as well as dramatic presentations, are included in the organization's social program.

Larry Nowack, in Alleghany B, may be contacted for more information about the group.

HONORARIES

MORTAR BOARD

(National Honorary Fraternity)

Established at the University of Maryland in 1934, Mortar Board is one of the highest honors a senior woman may receive. Outstanding second semester junior women are tapped at the annual May Day Pageant. Selection is based on service, leadership, and scholarship.

OMICRON DELTA KAPPA

(National Honorary Fraternity for Men)

To be tapped for ODK is one of the highest awards for Maryland men. The fraternity was established at the University in 1927. Membership is based on service, fellowship, and adherence to democratic ideals in campus life. Members are selected on the basis of accomplishment in such fields as drama, scholarship, social and religous affairs, athletics, and publications.

WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

(National Recognition Society)

Members are chosen on the basis of leadership, scholarship, and service to the school. A special student-faculty board taps in the spring. Who's

Who aids those honored by providing job placement services before and after graduation.

ACCOUNTING

Beta Alpha Psi (National Professional Fraternity)

The accounting honorary, founded at Maryland in 1926, is designed to bring together the outstanding accounting students. Prerequisites for membership include junior standing, a 3.5 average in accounting courses, and a 3.0 overall average. Additional information can be obtained from Prof. L. L. Lee.

AGRICULTURE

Alpha Zeta (National Professional Fraternity)

The fraternity, established in 1920 at Maryland, selects from the field of agriculture men who have excelled in leadership and character. To be eligible, a man must complete three semesters and rank in the upper two-fifths of his class. Further information will be supplied by Dr. Alvin Decher, Jr.

ATHLETICS

Varsity "M" Club (Local Recognition Society)

Membership in the M Club is limited to holders of varsity letters. The group is designed to bring together and honor atheletes who have preformed outstandingly in one or more varsity sports. Al Heagy may be contacted for more information.

BACTERIOLOGY

Sigma Alpha Omicron (National Professional Fraternity)

The society, established at Maryland in 1925, strives to promote friendly cooperation among bacteriology majors. It recognizes those students who demonstrate an interest and an aptitude in bacteriology. Prerequisites include junior standing, a 2.5 average, and at least 12 credits in bacteriology. Dr. Norman Laffer will supply more information.

BUSINESS

Beta Gamma Sigma (National Honorary Fraternity)

Established in 1940, this fraternity is the only scholastic honorary in the field of business that is recognized by the American Association of Collegiate Schools of Business. The group's purposes are to encourage and reward outstanding scholarship and accomplishment among students of commerce and business administration and to promote the advancement of education in business. Dean James Reid can provide further information.

Delta Sigma Pi (National Professional Fraternity for Men)

Delta Sigma Pi was established at the University in 1950 for male students in the College of Business and Public Administration. Students hav-

ing an average higher than the all-men's average are eligible for membership. Additional information is obtainable from Dr. Allen Fisher and Robert Moreland.

Phi Chi Theta (National Professional Fraternity for Women)

Phi Chi Theta, a professional fraternity for women enrolled in the College of Business and Public Administration, was established at Maryland in 1955. It is open to students who maintain an overall average of 2.2. Members attend many professional meetings during the year. Contact Judy Arroyo for more information.

CHEMISTRY

Alpha Chi Sigma (National Professional Fraternity)

Students majoring in chemistry or chemical engineering who have a 2.5 or above academic average are eligible for membership in this organization. Further information may be obtained from Dr. Fletcher Veitch.

DRAMATICS

National Collegiate Players (National Recognition Society)

Established at the University of Maryland in 1947, this society is limited to juniors and seniors who have made outstanding contributions to Uni-

versity Theater and have taken an active part in play productions. Students chosen for membership are tapped semiannually. Interested persons should contact Prof. Warren L. Strausbaugh.

EDUCATION

Phi Delta Kappa (National Professional Fraternity for Men)

Graduate and undergraduate male students, with junior standing, who are planning careers in the field of education are eligible for membership. The Beta Epsilon chapter was established at the University in 1942. Dr. Warren S. Blake will answer any questions.

ENGINEERING

Civil Engineering Honor Society (Local Recognition Society)

Civil engineering students who have junior standing and rank in the upper third of their class are eligible for membership in this society. Further information may be obtained from Prof. Russell Allen.

Eta Kappa Nu (National Honorary Fraternity)

Eta Kappa Nu, established at the University in 1957, honors students majoring in electrial engineering. Juniors who rank in the upper third of their class, or seniors in the upper quarter, are eligible for membership. Dr. H. R. Reed can provide more information.

Pi Tau Sigma (National Honorary Fraternity)

Pi Tau Sigma, mechanical engineering honorary, was established at Maryland in 1956. Qualifications for membership are based on scholastic standing, faculty and membership rating, activities, and experience. Further information may be obtained from Prof. Cather.

Tau Beta Pi (National Honorary Fraternity)

Established at the University of Maryland in 1942, Tau Beta Pi honors engineering students who maintain an academic standing in the upper fifth of the senior class or upper eighth of the junior class. Interested students may contact Prof. Russell Allen.

FLORICULTURE

Pi Alpha Xi (National Professional Fraternity)

In 1950, Pi Alpha Xi was established at Maryland to bring together those students interested in horticulture. Membership requirements include an overall average of 2.5 and a 3.0 average in horticulture courses. Dr. Conrad Link can provide more information.

GEOGRAPHY

Gamma Theta Upsilon (National Professional Fraternity)

Gamma Theta Upsilon was organized at Maryland in 1957. The fraternity is open to upperclass

geography majors who have above average grades. Joe Wiedel will supply further information.

GOVERNMENT AND POLITICS

Pi Sigma Alpha (National Honorary Fraternity)

This honorary was established at Maryland in 1938 to form an association of students interested in government and politics. Membership may be attained by showing interest and by accomplishing outstanding work in the field of government and politics. Dr. W. V. Hohenstein can provide more information.

HISTORY

Phi Alpha Theta (National Honorary Fraternity)

The Beta Omega chapter of this national history honorary was established at the University in 1948. Its purpose is to honor those students who have maintained a 2.7 academic average and a 3.0 average in eighteen or more hours of history, six of which must be in advanced courses. Interested persons may contact Robert J. Henault.

HOME ECONOMICS

Omicron Nu (National Honorary Fraternity)

This organization was established for the purpose of recognizing outstanding junior and senior home economics students. Alpha Zeta chapter, founded at the University in 1937, also honors the freshman

home economics student who attains the highest average in her class. Anyone wishing further information may contact Prof. Jane Crow.

INDUSTRIAL EDUCATION

Iota Lambda Sigma (National Professional Fraternity)

The Maryland chapter of Iota Lambda Sigma was established in 1941. The fraternity promotes the recognition of professional training in industrial education. A scholarship of $250.00 is given annually to a freshman who plans to enter the education field. Dr. William F. Tierney will supply more information.

JOURNALISM

Pi Delta Epsilon (National Recognition Society)

The University of Maryland chapter of Pi Delta Epsilon, established in 1930, honors juniors and seniors in the field of publications. Members must have done outstanding publication work and have held a major editoral position for at least one year. For more information contact Prof. Robert Carey or Frank Ratka.

Sigma Delta Chi (National Professional Fraternity)

Sigma Delta Chi, established in 1956, honors those men who have chosen journalism as their

career. Interested students should contact Dr. Carter Bryan.

MATHEMATICS

Pi Mu Epsilon (National Professional Fraternity)

This fraternity, established in 1956, is one of the newer professional groups on campus. Its purpose is to honor outstanding students in the field of mathematics. Further information may be obtained from Dr. J. McCarthy.

MILITARY

Arnold Air Society (National Recognition Society)

The Arnold Air Society, a national military honorary, is composed of advanced cadets who have demonstrated exceptional qualities in the AFROTC program. Its purpose is to develop leadership in future Air Force officers and to enhance relations among cadets and student and faculty officers. Further information can be obtained from Richard Morgan or Maj. David Brown.

Pershing Rifles (National Recognition Society)

Pershing Rifles is a national military honorary for freshman and sophomore basic cadets who show the desired qualities of leadership and interest. The group, which makes numerous appearances, is

made up of a color guard, trick drill team, and precision marching unit. Donald Nash or Maj. Hybki will supply more information.

Scabbard and Blade (National Recognition Society)

Scabbard and Blade is a national honorary fraternity for all military forces. Only men with outstanding scholarship, leadership, efficiency, loyalty, and fellowship qualities are selected for membership in the highest military honorary on campus. Scholastic requirements are a 2.5 overall average and a 3.0 average in Air Science. Howard Turner or Maj F. W. Littleton, Jr., will provide further information.

Vandenberg Guard (Local Recognition Society)

Vandenberg Guard is a precision sabre drill unit composed of volunteer basic cadets. The group often performs in local, state, and national competitions. Additional information can be obtained from Frederick Lynch or Capt. Thomas Thamann.

MUSIC

Kappa Kappa Psi (National Recognition Society for Men)

This organization honors outstanding male band members who have one semester's participation in the Band and a 2.0 overall average. Kappa Kappa

Psi, established in 1955, strives to promote the existence and welfare of university bands and to foster a close relationship and pleasant social experience for band members. Jim Murphy will supply more information.

Phi Mu Alpha (Local Recognition Society for Men)

This organization, which honors top male music students, works toward the development of professional attitudes among its members. Projects are directed toward the advancement of American music. More information can be obtained from Dr. Bryce Jordan.

Sigma Alpha Iota (National Professional Fraternity for Women)

Members of Sigma Alpha Iota strive to promote the professional ideals of the Department of Music. Miss Mary K. Green, who advises the group, will provide additional information.

Tau Beta Sigma (National Recognition Society for Women)

Tau Beta Sigma, established at Maryland in 1956, honors outstanding women members of the Band. Active participation in the Band for a semester and a 2.0 overall average are prerequisites for membership. Marilyn Sanders will supply further information.

PHYSICAL EDUCATION

PHI ALPHA EPSILON (Local Recognition Society)

Phi Alpha Epsilon, established at the University in 1953, brings together physical education, health, physical therapy, and recreation majors. Qualifications for membership include a 3.0 average in major subjects and a 2.7 overall average. Interested students should contact Dr. Dorothy Mohr.

PHYSICS

SIGMA PI SIGMA (National Honorary Fraternity)

Sigma Pi Sigma was established at the University in 1948 to further relations among students majoring in physics. Students must have a better than average scholastic standing to attain membership. Those interested should contact Dr. Howard Lastner.

PSYCHOLOGY

PSI CHI (National Recognition Society)

The Maryland chapter of this society was established in 1956. Psi Chi honors those students who are in the upper fourth of their class and who maintain a 3.0 average in psychology courses. Interested persons should contact Thomas Magoon.

RECREATION

SIGMA TAU EPSILON (Local Recognition Society for Women)

Sigma Tau Epsilon was established at Maryland

in 1940. Students who are outstanding in some phase of Women's Recreation Association and who maintain an overall average of 2.5 are eligible for membership. Interested students should contact Miss Ethel Kesler.

SCHOLARSHIP

Alpha Lambda Delta (National Honorary Fraternity for Women)

Freshmen women who attain a 3.5 average or above during their first semester or as a cumulative average for their first year are eligible for membership in Alpha Lambda Delta. Students who qualify should contact Dean Julia Billings.

Phi Eta Sigma (National Honorary Fraternity for Men)

The purpose of Phi Eta Sigma, established at Maryland in 1940, is to honor freshmen men who attain a 3.5 average for their first semester or for the entire year. Members of Phi Eta Sigma remain active throughout their college careers. Interested men may contact Prof. John Daiker.

Phi Kappa Phi (National Honorary Fraternity)

Phi Kappa Phi was established at the University in 1920. Seniors who are in the upper ten per cent of their class are eligible for membership. The purpose of this honorary is to maintain democracy and

unity of education. Dr. Chatelain will provide additional information to interested students.

SOCIOLOGY

Alpha Kappa Delta (National Recognition Society)

Alpha Kappa Delta, established at Maryland in 1946, honors students who have done outstanding work in the field of sociology. Upperclassmen must have a 3.0 overall average and 18 credit hours in sociology. For more information contact Dr. Peter Lejins.

SORORITY

Diamond (Local Recognition Society for Women)

Sorority women are elected to Diamond on the basis of their outstanding leadership and service within their respective groups. Membership is limited to three from each sorority. Requirements are junior standing and a 2.3 average. Miss Ann Norton will supply more information.

SPEECH

Sigma Alpha Eta (National Professional Fraternity)

Sigma Alpha Eta, established at the University in 1953, offers membership on three levels. An associ-

ate membership is available to students interested in the field. Key membership is open to those who are in the speech pathology curriculum with a 2.5 overall and a 3.0 average in speech and who were associate members for a semester. Honor membership is awarded to those who have done outstanding work in the organization and in the field of speech. Interested students should contact Miss Dorothy Craven.

ORGANIZATIONS

ACCOUNTING CLUB

Students in BPA may further their professional interests through the Accounting Club. The club meets with Beta Alpha Psi, accounting honorary, one Wednesday each month. The meetings feature guest speakers and a social hour. Prospective members may contact Prof. LeRoy Lee.

AFROTC BAND

The AFROTC Band is composed of freshmen and sophomore cadets who are members of the University Marching Band. Uniforms and instruments are provided by the Federal Government. Capt. Peter Hamel can provide more information.

AGRICULTURAL ECONOMICS CLUB

Open to anyone interested in the field of agricultural economics, this club meets each second and fourth Thursday. The club features guest speakers and social functions. Clarence Reeder or Dr. Paul Poffenberger may be contacted for further information.

AGRICULTURAL STUDENT COUNCIL

The Council coordinates the activities of various agricultural organizations through representative members. As a part of their work, the members sponsor the Agricultural Student Loan Fund and square dances. Dr. Paul Poffenberger advises the Council.

AGRONOMY CLUB

Projects and discussions on soils and crops make up the program of the Agronomy Club. Agriculture majors interested in this field should contact Dr. Eugene Younts.

ALPHA PHI OMEGA SERVICE FRATERNITY

APO is for male students interested in serving the community and campus. Projects of the group include a book exchange and the annual Ugly Man Contest to benefit Campus Chest. Interested persons should see Don Wessel or Mr. George W. Fogg.

AMATEUR RADIO CLUB (W3EAX)

This club provides training classes in Morse Code and radio theory for students interested in obtaining licenses. Meetings are on Thursday nights in Annapolis Hall. Mr. Alois Burda or Buddy Tretick may be contacted for further information.

AMERICAN INSTITUTE OF CHEMICAL ENGINEERS

The student affiliate of the national AIChE advances the professional development of the chemical engineering students. The programs feature speakers and technical movies. Dr. W. A. Pennington will provide additional information.

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS AND INSTITUTE OF RADIO ENGINEERS

Any electrical engineering student may join this student branch of the national organization. The purpose of the club is to promote electrical engineering and provide further information in the field. Interested students should see Ira Staley or Mr. Lawrence Hodgins.

AMERICAN PUBLIC RELATIONS ASSOCIATION

Maryland's chapter of APRA was the first student chapter of this international public relations organization. Its membership is limited to public relations majors who work together for their mutual advancement within the field.

AMERICAN SOCIETY OF CIVIL ENGINEERS

Each member of this organization is automatically a member of the International Society of Civil Engineers upon graduation. The Society helps to broaden interest in civil engineering. To secure membership applications, see Donald Hughes or Dr. Cournyn.

AMERICAN SOCIETY OF MECHANICAL ENGINEERS

Promotion of professionalism in student engineers

is the purpose of this organization. Any student working toward a degree in mechanical engineering is welcome. Interested persons should attend a meeting on the first Thursday of each month or contact Donald Spencer or Prof. A. B. Eyler.

ANGEL FLIGHT

Angel Flight is a group of selected coeds who represent the AFROTC Corps at social and official campus functions. Each cadet unit elects one coed who will work with Angel Flight to boost the *esprit de corps,* serve as hostesses for dignitaries, co-sponsor the Military Ball, and help the cadets and Air Science Department in any activity. Sani Stack or Capt. Messinger can provide more information.

AQUALINERS

Members meet each Tuesday in Preinkert Field House pool to develop interest and skill in synchronized swimming. A spring water show culminates the activity of the year. Interested swimmers should contact Miss Carole Frick or Miss Florence Clapham.

ART CLUB

Art exhibits of student works, trips to museums, and discussions on art make up the program of the Art Club. Any person in the Art Department is free to attend the Wednesday afternoon meetings. For further information contact Ralph Freeny or Dr. James Wharton.

BLOCK AND BRIDLE CLUB

Students interested in livestock and dairy management problems are invited to join the Club. In addition to regular meetings with livestock men, Block and Bridle sponsors a barbeque, a livestock judging contest, and a picnic. Further information may be obtained from Dr. Francis Wingert or Dr. Roger Heinken.

CALVERT DEBATE SOCIETY

Intercollegiate and intracollegiate tournaments are held each year by the Calvert Debate Society. Any person interested in devoloping debating techniques is encouraged to join. Meetings are held on Mondays and practices on other weekdays. Mr. Malthon Anapol will supply additional information.

CHAPEL CHOIR

This co-educational vocal group makes numerous appearances each year under the direction of Prof. Fague Springmann. Its programs feature religious music. Roger Mitchell is president of the Choir.

CHESS CLUB

For students interested in chess, this club offers a chance to compete in games every Thursday afternoon. Matches are held with other area colleges in order to promote interest and skill in the game. Prospective members should contact Rodney Joseph.

CHINESE STUDENTS CLUB

Oriental students and those interested in gaining a better understanding of the Chinese culture are invited to join this club. Monthly meetings are held to promote a closer association between the students and to listen to guest speakers. Social activities include a dance and picnic. Additional questions should be referred to Mr. C. C. Chen.

COLLEGIATE 4-H CLUB

Former members of 4-H groups are invited to continue their Club activities in college. This chapter works with local, state, and national groups in program planning. It also sponsors a 4-H Club Citizenship Tour and Square Dance Jamboree. Interested students can contact Mr. Roy Cassel or Miss Charlotte Conaway.

DAIRY SCIENCE CLUB

Any student with an interest in the dairy industry is welcome to join this club. Many functions are held jointly with the Block and Bridle Club. Dr. J. F. Mattick may be contacted for further information.

ECONOMICS DISCUSSION CLUB

Monthly meetings are held for students who are interested in economic conditions. Guest speakers present new ideas for discussion. Any student of

economics may contact Thomas Mariani or Dr. Allan Gruchy concerning membership.

FRENCH CLUB

Students having knowledge of or interest in French are invited to join the French Club, whose purpose is to stimulate use of conversational French. Lectures and discussions are held in French at the regular meetings. Annual activities include a dinner featuring food of Normandy and a Christmas party. Dr. A. Zucker will answer any questions.

FUTURE FARMERS OF AMERICA

The Maryland chapter of the national FFA participates in the state organization. Most of the monthly meetings are directed toward preparing members to become advisors to local high school chapters. Meetings are held on Thursdays in Symons Hall. Additional information may be obtained from Mr. Arthur Chalk and Mr. Palmer Hopkins.

GAMMA SIGMA SIGMA SERVICE SORORITY

Women students interested in aiding the school and community are welcome to join this national service sorority. The members serve as hostesses and usherettes at student functions. Their main project is making toys for an orphanage. Mrs. Dutton advises the group.

GOVERNMENT AND POLITICS CLUB

This club, whose purpose is to further the understanding of government and political science, meets to discuss current governmental problems. Panel discussions, forums, and guest speakers highlight the programs. Dr. Guy Hathorn may be contacted for membership information.

GYMKANA TROUPE

The Gymkana Troupe specializes in gymnastics, tumbling, dancing, and other forms of exhibition activities for both men and women students. Numerous performances—some as far away as Bermuda and the Azores—are given during the school year. Bob Phillips is president of the group.

HOME ECONOMICS CLUB

Primarily a social organization, the Home Economics Club holds monthly meetings in the Maryland Room. Both departmental and outside speakers give the members added information about food, furniture, china and silver, and job opportunities. Interested students should see Miss Helen Stevens.

INDUSTRIAL EDUCATION ASSOCIATION

Bi-monthly meetings of the club are open to any student enrolled in Industrial Education. Each year

the group has a road show which attempts to interest high school students in the field. Among the annual social events are a Christmas party and a spring picnic. Dr. Maley can provide additional information.

INSTITUTE OF AERONAUTICAL SCIENCES

This student branch of the National I. A. S. features talks by practicing aeronautical engineers at the Wednesday meetings. Competition with nearby engineering schools in writing technical papers is another part of the program. Interested students should contact Prof. Robert Rivello.

INSTITUTE OF FOOD TECHNOLOGY

A junior chapter of the National I. F. T., this group takes field trips to restaurants and cafeterias in the Washington area to study food handling methods. The bi-weekly meetings feature discussions and prominent speakers. Dr. Robert Wiley will provide more information.

INTERNATIONAL CLUB

Speakers, movies, and panel discussions are utilized by the International Club to foster better foreign and American student relations. The weekly meetings are held in the Student Union. An International Fiesta is presented each year. Prof. Furman Bridgers will provide additional information.

INTERNATIONAL RELATIONS CLUB

Current international problems are the main topics of the conversation, lectures, and discussion groups in this organization. Any student interested in gaining a better understanding of world problems is invited to attend the bi-monthly Wednesday meetings. Dr. Horace Harrison will provide additional information.

JUDO CLUB

Members of this club promote judo as an art and as a form of self-defense. The group participates in judo contests and programs to develop skill in the sport. Practices are held Monday, Wednesday, and Friday in the Activities Building. Interested students should contact Dave Gunlock or Dr. George Weigand.

LITERARY CLUB

This club, sponsored by the English Department, honors outstanding juniors and seniors in the field of literature. Although membership is limited, open meetings are held twice a month. The programs consist of discussions of various phases of literature. For information, contact Dr. O. L. Rice, Dr. Melvin J. Friedman, or Carol Cushard.

MARYLAND FLYING ASSOCIATION, INC.

Three planes and several trained instructors pro-

vide any interested student with the opportunity to learn to fly. The club meets all CAA requirements and offers a chance to earn a pilot's license. Meetings are held on Tuesdays in the Student Union. Those interested in flying should contact Raymond Moffett.

MARYLAND MARKETING ASSOCIATION

This group is a member of the American Marketing Association. Its purpose is to bring marketing methods and the practices of leading marketing organizations to the members. Interested students are encouraged to attend the meetings, which are announced in the *Diamondback*, or to see Dr. Allan Cook.

MEN'S GLEE CLUB

A wide variety of music, ranging from semi-classic to barbershop, is included in the Glee Club's program. The purpose of the group is to broaden interest in music on campus. Additional information can be obtained from William Balser or Paul Traver.

MR. AND MRS. CLUB

Married students on campus find an opportunity to socialize in the Mr. and Mrs. Club. Among the activities are card parties, picnics, and weekends in the mountains. More information can be obtained from Mike O'Donnell or Mr. Dennis Hanley.

MODERN DANCE CLUB

Coeds interested in the creative forms of dance are welcome to join the Modern Dance Club. Every Tuesday night in Preinkert Field House the members learn new techniques and practice numbers for the Spring Dance Concert and the University Theater musical. Interested persons may contact Nan Debuskey or Miss Mary H. Harrington.

NURSING CLUB

The purpose of the Louisa Parsons Nursing Club is to establish a greater appreciation of professional nursing. Campus and community philanthropic projects are undertaken each year. Meetings, held every other Thursday, are open to anyone interested in nursing. See Dean Margaret Hayes for more information.

OLYMPIC BARBELL CLUB

Competing in various intercollegiate meets and promoting weight lifting as a sport are the objects of this club. Meetings are held twice a month. For additional information, Mr. Harold Freeman or Ed Lanehart may be contacted.

PROPELLOR CLUB

The purpose of this club is to establish a better understanding of the transportation systems in the United States. Any interested student is welcome to attend meetings. For additional information con-

tact Robert Grove, Dr. R. L. Dawson, or Mr. Charles Heye.

PSYCHOLOGY CLUB

Open to any undergraduate student taking a course in psychology, this club attempts to encourage interest and participation in the field. Speakers, films, trips, and discussions provide the program for the weekly meetings. Interested students should see Dr. Norma Wegner or Stanley Sellars.

RED CROSS STUDENT UNIT

Helping with the Red Cross sponsored blood drive twice a year and sponsoring a training program for new members are the club projects. Dean Julia Billings or Betty May O'Brien will supply information.

ROSSBOROUGH CLUB

This social organization is open to all students on campus. The annual Rossborough Dance and the crowning of a queen climax the activity of the year. Meetings are held on Wednesday nights in the Student Union. Jack Caldwell or Dean Doyle Royal will provide additional information.

SAILING CLUB

Participation in interscholastic sailing regattas is the main function of this club. Any person, experi-

enced or not, is welcome to join. Instruction is given to the less skilled sailors. For information contact Mr. Charles Barrett.

SOCIETY FOR THE ADVANCEMENT OF MANAGEMENT

The main objective of the Society is to promote and advance interest in the field of management. Leading business men are featured at the meetings. Membership is open to anyone interested in the managment aspect of business. To obtain more information see Bob Urquhart.

SOCIOLOGY CLUB

The Sociology Club strives to draw together the course majors and minors. The group meets every two weeks to hold discussions and to listen to speakers from the varied fields of sociology. Dr. William Felton or Harry Cranford will provide additional information.

SPANISH CLUB

This club provides a program of movies, annual dinner, discussions, and guest speakers. The purpose is to provide a better understanding of the cultures of the Spanish countries. Dr. G. P. Nemes or Sharon Reeves may be contacted concerning membership.

STUDENT NATIONAL EDUCATION ASSOCIATION

This club is the student affiliate of the National Education Association. Supplements to education courses are offered by this group. All types of education—such as childhood, home economics, and industrial—are subjects of the program. Students interested in joining should contact Dr. Fern Schneider.

TERRAPIN SKI CLUB

Ski trips to northern resorts are among the activities of the Ski Club. The Club also holds meetings with films and demonstrations on skiing. Anyone interested in joining should contact Bruce Colvin or Dean Doyle Royal.

TERRAPIN TRAIL CLUB

Every two weeks the members of the Trail Club take part in an outing. This co-educational group meets every other Thursday night to plan and discuss coming activities. Dr. John Axley or Paul Wright should be contacted for membership information.

UNIVERSITY BAND

Pep rallies, parades, football games, and concerts make up a large part of the Band's regular program. Practices are held three times a week. Students interested in auditioning should see Prof. Hubert Henderson.

UNIVERSITY ORCHESTRA

Performing concert music is the purpose of this organization, which welcomes both students and faculty to its membership. Interested persons should contact Dr. Bryce Jordan.

UNIVERSITY THEATER

University Theater presents opportunities for students to learn all phases of play production and to provide experienced personnel for the handling of each of UT's four major productions. Prof. Warren Strausbaugh advises the group.

VETERANS' CLUB

The purpose of this club is to maintain contact between veterans and the Veterans Administration. Included in the social program are sports, dances, and a beach party. Meetings are held bi-monthly in the Student Union. Interested veterans should contact Mr. Bill Hoff.

VETERINARY SCIENCE CLUB

Students interested in veterinary science are invited to join this organization which fosters information and education in the field. Guest speakers and discussions make up the program for the monthly Thursday night meetings. For more information see Dr. James Sperry.

WOMEN'S CHORUS

The Chorus is open to all women students interested in singing. Concerts with other vocal groups are part of the program. Paul Traver directs the group; Deborah Gude is president.

WOMEN'S PROFESSIONAL CLUB

Connected with the College of Health, Physical Education, and Recreation, this group attends conventions and sponsors a college play day and a high school sports day. Dr. Dorothy Mohr or June Kennard will provide more information.

WOMEN'S RECREATION ASSOCIATION

WRA sponsors all women's athletic tournaments and associated recreational activities. Every woman student is automatically a member of WRA and is urged to participate in its functions. Barrie Neal or Miss Ethel Kesler can answer any questions.

YOUNG DEMOCRATS CLUB

Interested students are invited to join this affiliate of the Democratic Party. The group participates in primaries, rallies, and political forums and prepares political literature. Dr. Verne Chatelain is the advisor.

SORORITIES

PANHELLENIC COUNCIL

President..... Judy Purnell
Rush Chairman..... Kate Ricketts

The Panhellenic Council, consisting of one representative from each of the 16 national sororities at the University, is the sorority advisory and governing body.

Panhel strives to promote close intersorority relations and to maintain high scholastic and social standards. It formulates and enforces the rules governing rushing, pledging, and initiation.

The Panhellenic Council sponsors the annual Pledge Dance, held every fall in honor of the pledges; the Panhel Car Wash for Campus Chest; and an Easter Egg Roll for orphans. Last year Panhel sponsored the spring issue of *Expression*, the campus literary magazine. Soon after pledging in the fall, Panhel holds a weekend camping trip to acquaint new pledges with the campus and its opportunities and activities.

FALL RUSH SCHEDULE

Open House Teas..... September 20-21
Invitational Parties..... September 22-28
Preference Teas..... September 30
Pledging..... October 1

STANDARD PANHELLENIC RULES

Any women eligible for matriculation at the University of Maryland and unaffiliated with any National Panhellenic Fraternity is eligible for rushing.

All women who are formally rushing are required to observe a silence period which extends from the beginning of formal rushing to pledging. At this time, rushees and sorority women are forbidden to talk to each other, except when in a sorority house during a scheduled party. In order to be pledged, a girl must have visited all the sororities on campus during the open house tours.

Initiation of any pledge results from the completion of fifteen credit hours in the preceding semester at the University of Maryland with a 2.2 average and no failures for that semester. These women must be students in good standing.

A woman may not pledge a second sorority until a period of one year has elapsed from her last sorority affiliation.

Following formal rushing in September and February there is an informal rush period. Girls who are interested should sign up in the Dean of Women's office. The informal rush period is determined by the Panhellenic Council.

JUNIOR PANHELLENIC COUNCIL

Junior Panhellenic Council is composed of one pledge from each sorority. Its purpose is to get these representatives acquainted with the functions of the Panhellenic Council and to prepare them to be better sorority women.

At the Council meetings the members discuss mutual problems and plans. Every year the group sponsors one big project. Last year Junior Panhel wrote to various colleges inquiring about rushing programs and compiled all the material gathered. The information was then used by Panhellenic Council to improve the rushing system at the University of Maryland.

FRATERNITIES

INTERFRATERNITY COUNCIL

President ..... Rand Tuttle

Rush Chairman ..... Bob Shoemaker

The Interfraternity Council is composed of representatives of the 24 national fraternities on campus. Through the Council the fraternities are banded together to promote and maintain a friendly and cooperative relationship.

The Council organizes and supervises fraternity rushing. The IFC Rush Chairman is in charge of coordinating all rush functions. Fall formal rushing lasts for two weeks, beginning September 25 and ending October 6. Informal rushing follows September and February formal rushing. The informal rush period is determined by the Council.

The Interfraternity Council sponsors the fraternity athletic program throughout the year; the Interfraternity Ball, which is held between semesters; Greek Week, held in the spring; and Help Week, when pledges from all fraternities work together on a community project. The Council presents awards for participation in campus activities and for scholastic achievements. Four academic scholarships are also awarded. In addition, IFC maintains an overseas philanthropic program. Monthly banquets are held for fraternity presidents and faculty members.

RUSHING REGULATIONS

The formal rush program gives fraternities the opportunity to obtain new members and allows rushees to familiarize themselves with the fraternities at the University of Maryland. Any male student attending the University is eligible to rush.

Every rushee must visit 14 fraternity houses during the open house parties. At each house he must obtain a signature on a printed card, which is obtained at the first house he visits. The card must be turned in to the Interfraternity Council by the Tuesday preceding the invitational parties. At the same time, the rushee also picks up his invitations to the second round of parties. Bids for pledging are distributed the Monday following the invitational parties.

A male student may be initiated into a fraternity after pledging a full semester and attaining at least a 2.0 average, with no failures, for that semester. He must also be a student in good standing with the University.

FALL RUSH SCHEDULE

Open House Fraternity Parties	September 25-27
Turn in Signature Cards	September 30
Pick up Invitations	September 30
Invitational Parties	October 1-4
Pick up Bids	October 6

ATHLETICS

FOOTBALL

This year, faced with a tough schedule that includes the 1957 National Collegiate Football Championship team of Auburn, Terp gridders are looking forward to providing more joyful Saturday afternoons for their fans.

Over the past ten years, supporters of the Maryland Terrapins have grown accustomed to top-notch football. It is the aim of Coach Tommy Mont to rejuvenate widespread backing and interest in the University's football program by bringing the Terps back to national ranking.

Mont is entering his third year as head coach at his alma mater with high hopes. In 1956, Maryland's record was 2-7-1—a bitter disappointment to Coach Mont and the fans. The 1957 season was concluded with a more promising 5-5 record, with the Terps overcoming their injury jinx of the previous year and the outstanding sophomore play being attributable to the marked improvement.

The most important clash of the 1957 season was the North Carolina game on October 19. The Terps upset former Maryland coach Jim Tatum's Tarheels 21-7 to the delight of Her Majesty Queen Elizabeth II and her "court" of more than 40,000 fans.

This year the Terps will be led on the battlefield by co-captains Fred Cole and Bob Rusevlyan. Backing up these able men will be such veteran

performers as Al Beardsley and Ben Scotti at the end positions, Kurt Schwarz and Tom Flor at tackle, Rod Breedlove, Fred Kern, and Tom Gunderman at guard, and Vic Schwartz at center.

Mont has John Forbes, Jim Joyce, and Larry Casparro battling for the fullback position and Ted Kershner, Joe Behrmann, Bob Layman, and Gene Verardi striving for the halfback slots. As for new talent, Terp supporters can be optimistic about the potential power of prospects Dick Scarbath, Ed Nickla, Dwayne Fletcher, and Everett Cloud.

BASKETBALL

Highlights in the 1958 schedule will no doubt be home games with Texas A & M and the Naval Academy.

Terp cagers ended last year's season of basketball being voted sixth in the nation by the Associated Press, United Press, and International News Service polls. Now Maryland's team is recognized as an outstanding one in basketball circles throughout the country.

Coach Bud Millikan's crew posted the best record in the University's history. The Terrapins won 22 and lost 7, not only capturing the coveted ACC crown, but defeating Boston College in the first round of the NCAA Tournament at Madison Square Garden. At Charlotte, N. C., Temple edged out the Terps 71-67 in the NCAA Regional Tournament. By defeating Manhattan College 59-55, the Maryland hoopsters ended in the consolation position in the tourney.

50
NAVY
45
NAVY
45

Maryland rooters were thrilled by the sharp shooting of Nick Davis, the defensive work of John Nacincik, and outstanding play by Tom Young.

Hold-overs from last year's first string team are Charles McNeil, 6'6" forward, and Al Bunge, 6'8" center. This season's squad will be bolstered by returning players Gene Danko, Jerry Bechtle, Bill Murphy, Jim Halleck, and Julian Weingarten.

The Terp performers are accustomed to playing before large crowds such as the 15,200 fans that viewed Maryland's win over North Carolina 74-61 in the Cole Activity Building. The team played before television viewers in games against Navy, North Carolina State, and South Carolina.

Sparked with last season's excellent record, this year's basketball team looks promising to the experts for a national championship.

TENNIS

Coach Doyle Royal's tennis squad ended the 1958 season with an even split—six wins against six defeats. In conference play the Terp netmen posted a four win, three loss record.

The outstanding performer for Maryland last year was Jackson Yang, a steady man on the courts. Yang was six and one for the season.

A newcomer to the Terp squad in 1959 will be Chuck Abelson, a top freshman prospect who is the Maryland State Junior Champion and who ranked

third in the Mid-Atlantic Lawn Tennis Association. Abelson should brighten Maryland's outlook toward spring court activities.

INDOOR TRACK

Last year's indoor track team romped home with the Atlantic Coast Championship tucked under their arm. Maryland's closest competition, North Carolina, lagged 24 points behind. The only team to defeat our runners over the past season was Navy, by a score of 54 to 46. The Terrapins have won the ACC Championship consistently over the past several years.

OUTDOOR TRACK

For the past three years the Maryland track team has been undefeated in outdoor competition.

Besides winning every meet last season, the Kehoe cindermen captured the DCAAU, their closest competition some 72 points behind.

Existing school records fell frequently last year with Ed Cooke putting the shot 55 feet 9½ inches; Cooke also hurled the discus 153 feet 7 inches. Larry Salmon ran the 220 low hurdles in a record time of 23.3, and Tom Tait set a new record for the high jump, 6 feet 5¾ inches.

Maryland can look forward to another brilliant track team this year; Coach Kehoe plans to bring up men from his 1958 undefeated freshman team.

WRESTLING

With five consecutive ACC Championships under their belts, Maryland matmen look forward to an equally successful season this year.

Last year the Terps set an ACC record for total points scored in a tournament; they posted 109 points to capture nine out of ten trophies. In the NCAA Tournament held in Laramie, Wyoming, Maryland grapplers were disappointed in their showing, not taking a single match.

Coach Sully Krouse is looking to better last year's record of six wins, two ties, and one loss. The lone loss was at the hands of Pittsburgh. Outstanding freshmen to look for this year are Bill Trexler, Pete Wolf, and Gerry Styers.

GOLF

The Maryland golf team ended a successful season by posting its best record in years—nine wins and one loss. The Terps' lone loss was an upset at the hands of Duke.

Coach Frank Cronin can look forward to the 1959 season with confidence. Not only does his team have a tremendous record, but they also have one of the most sensational collegiate golfers in the nation in Deane Beman, a junior this year. Last year Beman shot par or under par most of the season.

SWIMMING

Entering their fourth year of collegiate competition, Coach Bill Campbell's swimmers are establishing themselves as definite contenders for the league title.

Although Coach Campbell lost two top men, Ray Ashenfelt and Stape Shields, he has ample replacements in co-captains John Bell and Dick Sinclair.

The swimming team is steadily improving and the sport is gaining in popularity every year.

SOCCER

The Red and White clad booters of coach Doyle Royal have become the perennial champions of the Atlantic Coast Conference. Last year the Terps walked off with their fifth straight conference crown.

Maryland's soccer team went undefeated in the ACC and also beat such strong opposition outside our league as Washington and Lee and Johns Hopkins. The team lost a strong Penn State team and tied Navy.

Although such men as Andy McDonald and Leroy Skinner depart through graduation, Asad Shukry and Taras Charchalis are scheduled to pick up the slack.

BASEBALL

Maryland's baseball team lifted itself out of the league cellar during the last week of conference play to finish the season in next to last place. As usual Coach Burton Shipley's squad was struggling to keep its head above water.

However, Shipley expects his 1959 team to be much stronger. This is based on the season ending upsets of Wake Forest and North Carolina.

The Terps lose a steady performer in Andy McDonald, but seasoned veterans Art Clessuras, Pat Clarke, and John Barrett are expected to carry the load in 1959. The Old Liners look for new power in Charlie Keller, Jr., son of Maryland graduate and New York Yankee star "King Kong" Keller.

Baseball enthusiasts are looking forward to the 1959 squad becoming a contender in the ACC race.

LACROSSE

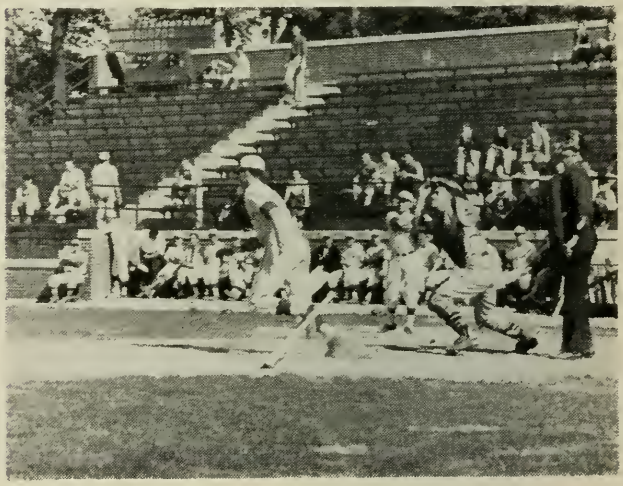
The Terp stickmen will be right in the middle of the battle for national honors again this year, just as they have been since lacrosse was initiated at Maryland many decades ago.

Last year the Terp ten fell short by only one game of winning the Class A National Champion-

ship. Undefeated until their last game, Maryland lost the championship to the Johns Hopkins University team in a close game in Baltimore.

The Terrapins lose All-Americans Ernie Betz, Dick Corrigan, and Leroy Skinner along with steady performer Dick Szlasa. One consolation will be the return of honorable mention All-American Ted Kyte. Roger Goss is a sure choice for the All-American team.

Coaches Al Heagy and Jack Faber, after many years as pilots of the lacrosse team, expect another outstanding team in the spring.



INTRAMURALS

A complete intramural program, under the direction of Prof. James Kehoe, is provided for the students by the Athletic Department. The program is divided into two divisions—the open league and the fraternity league.

All undergraduate males are eligible for the open league, while participation in the fraternity league is restricted to undergraduate actives and pledges of the various fraternities.

One or more sports are offered each season during the school year. Tournaments are held in each of the following fields: touch football, basketball, softball, wrestling, boxing, golf, tennis, gymnastics, horse shoes, track, cross-country, bowling, weight lifting, badminton, volley ball, table tennis, and others.

Additional information concerning intramural athletics may be obtained at the Intramural Office located in the Armory or by calling Extension 470.

Women's intramural athletics operate under the direction of the Women's Recreation Association (See index *Women's Recreation Association*).

UNIVERSITY OF MARYLAND
1958 FOOTBALL SCHEDULE

SONGS AND CHEERS

CHEERLEADERS

At every athletic event and pep rally the cheerleaders can be seen leading the crowd in rooting their team to victory. Many hours of practice take place before the group appears in their bright red and white uniforms.

Students who maintain a 2.0 average are eligible for tryouts in the fall. Current members of the cheering squad are: Judy Eberts, Bev May, Pat Smith, Jackie Eads, Sue Gumpper, Joan Purdon, Bonnie Girard, Linda Cutting, Sue Ramsburg, Harvey Beavers, and Don Ritnour.

CHEERS

(leaders) Gimee a silent cheer!
(stands, extend arms only) . . .

RED AND WHITE YELL

Red! Red! Red!
White! White! White!
Team! Team! Team!
Fight! Fight! Fight!

MARYLAND VICTORY SONG

Maryland, we're all behind you,
Raise high the Black and Gold.
For there is nothing half so glorious
As to see our team victorious.
We've got the team, boys,
We've got the steam, boys,
So keep on fighting, don't give in!
M-A-R-Y-L-A-N-D (yell)
Maryland will win!

SONS OF OLD MARYLAND

Sons of old Maryland
Old Maryland needs you!
Stand by your colors, boys,
And to them e'er be true!
Fight for old Maryland,
Old Liners stand,
Defenders of the Black and Gold
Throughout the land!

TERRAPIN DRINKING SONG

Drink to the Terrapin!
All stout hearted men.
We have no fear of hell,
For we're loyal sons and fellows.
Drink to the Terrapin,
May God bless her sons!
When the toast is in the cup,
Bottoms up! Bottoms up!
To Maryland!

ALMA MATER

Hail! Alma Mater!
Hail to thee Maryland!
Steadfast in loyalty
For thee we stand.
Love for the Black and Gold
Deep in our hearts we hold,
Singing thy praise forever
Throughout the land.

MARYLAND, MY MARYLAND

The despot's heel is on thy shore,
Maryland, my Maryland!
His torch is at thy temple door,
Maryland, my Maryland!
Avenge the patriotic gore
That flecked the streets of Baltimore,
And be the battle-queen of yore,
Maryland, my Maryland!

Hark to an exiled son's appeal,
Maryland, my Maryland!
My Mother State, to thee I kneel!
Maryland, my Maryland!
For life and death, for woe and weal,
Thy peerless chivalry reveal,
And grid thy beauteous limbs with steel,
Maryland, my Maryland!

Thou wilt not cower in the dust,
Maryland, my Maryland!
Thy beaming sword shall never rust,
Maryland, my Maryland!
Remember Carroll's sacred trust,
Remember Howard's warlike thrust,
And all thy slumberers with the just,
Maryland, my Maryland!
